

**Concordia Language Villages Mission**  
*Preparing young people for responsible  
citizenship in our global community.*

**Leadership Fund**

Help Concordia Language Villages further its role as a language and cultural education leader while you support its efforts to nurture and inspire young people—the world leaders of tomorrow. Your support for the Leadership Fund provides the financial backing to expand successful programs and pursue new opportunities, such as adding additional languages or developing programs for adults and families. By advancing efforts to reach language learners around the world with new curricula or interactive DVDs, and by furthering staff members' abilities to teach leadership skills for villagers at every level, your gift to the Leadership Fund will help Concordia Language Villages achieve the full, inspiring potential of its mission.
